

Earnest Photographers Class is formed by photographers connected with Sheil Photography.

There are more than 800 customers to the party from parts of India. However all of the members are from Pune, India, you can find members from Mumbai, Nagpur, Hyderabad, Baroda, Bhilai and several other places as well.

The Er Class is maintained by a committee shaped by way of a few members. This really is named the Primary Group. The CG customers have experience in various facets of images in addition to managerial skills.

The actions of the Er Party include;

Regular Meet

This meet happens after each month and is obviously held on both Saturday or Saturday evening. The meet has an agenda including discussing final vision, one complex presentation, one photo-show among minor discussions.

There is also a concept of Topic of the Month - a topic which people click photographs throughout that month and share all through the following meet.

Group Trips

Outings occur once or twice in monthly and are all the time, half day programmes on among the weekend days. Depending on the year and transfer feasibility, the group people go some position, generally discussed amongst them earlier. It is a superb function where persons get to share their some ideas and click their thoughts in a group of like oriented friends.

Pratibimba

The annual exhibition-cum-sale of pictures by the Er Group. The exhibition began from 2011 with the title Pratibimba 2011. This is a good platform that Sheil's Photography provides to it's customers to present their photographic artwork to the world.

About Earnest Images

Solemn Photography is a type of photography created and nurtured by Shridhar Deshpande, almost 8-9 years back.

It is far more than analyzing complex excellence of the photographs captured. It looks greater in the mind set of the photographer.

It does not imply that Serious Photography is not worried about photo quality, finesse and beauty of a snap. On the contrary. Earnest photography also highlights on the serious work of the shooter to have better by the day. It urges for untouched techniques, good equipment, clear understanding of the body before freezing it. Nevertheless, it doesn't restrict the worthiness of the photo to the above attributes.

About the Author
