

Rug Artisan – Experience the Bespoke

At Rug Artisan every customer has the opportunity to experience the bespoke like never before. We give our esteemed users absolute freedom-freedom to choose or even design your own rug, choose colours,yarns, shapes, weave types, custom sizes and even the pile height of your custom rugs.

Everything can be customised. Highly specific about your requirements for your custom area rugs? Don't worry, you will be assigned a dedicated account manager who will guide you [artisan rugs](#) through the whole process - help you design your own rug with the help of our in house custom rugs designers, decide the colours based on your specific interiors, give suggestions on the kind of rug that would suit your needs best and finally choose the exact size for your custom rugs.

From the quintessential custom round rugs to just about any odd shape you require, we will shape it and ship it! At Rug Artisan we leave nothing to chance. All you have to do is decide and order your custom area rugs and sit back and wait.

Your custom rugs will be delivered to your door step in the stipulated time. Every customer will go through a bespoke rug buying experience -one that will keep you coming back for more.
