

## News Distribution

[Business Wire](#) India is the exclusive India affiliate of Business Wire, a Berkshire Hathaway group company. It is the definitive platform for corporate news distribution for all companies, across industry domains and geographies. Our clients range from Fortune 500 companies to start-ups.

In India, your news is distributed to a network of 170 plus partner websites which include finance, trade and business media. Business Wire India is also the only news distribution platform to partner with all the top Indian news agencies - ANI, PTI, IANS, and UNI. Your news also reaches a strong database of 9000 registered journalists and bloggers who cover over 1400 media across print, digital, and broadcast.

Going global has never been easier. [Business Wire's](#) global circuits provide a single-step solution to reach news media and investor audiences in key financial markets throughout the world. This includes distribution and posting to online services, databases and web sites as well as appropriate translations. Your press release gets the best global reach through a comprehensive selection of geographic circuits. These circuits enable you to target your specific, key geographic markets and industry verticals. Our measurement tools provide you valuable data about the efficacy of your communication to your target audiences.

News distributed in targeted international corridors is published in real time by Reuters, Bloomberg, Agence France-Presse (AFP), Associated Press (AP), Korea Newswire, ME NewsWire, Jiji Press and many more.
