

## Lehengas: 8 Most useful Lehenga Collections by Brijraj

Lehenga is a form of a lengthy pleated blouse that will be usually designed with rich embroidery. Being secured at middle, it leaves the midriff and the lower back bare.

Although it has been very difficult to trace back the history or origin of Lehengas, it's thought that Lehengas were originated throughout the Mughal Era. The Mughal women applied to wear that gown all through special events, exactly like North Indian women do at present.

Certainly, a Lehenga is among the most used dresses within Indian women and how do the designers employed by Brijraj ignore this fact? They knew it well that the Brijraj Supporters have now been excitedly looking forward to the newest Lehenga Collections 2014.

They labored hard, time and evening and then got these..

1. The Shweta Tiwari Lehenga Selection: the selection consists of 16 special Lehengas which are greatly embroidered and handpicked from a massive conventional Lehengas Selection created by our designers.

Each part is unambiguously embroidered with intense perfection. The shades bring extra attract these Lehengas. Orange, dark, blue, beige... you receive all the popular colors of 2014. You get the vogueish Lehengas from Brijraj.

2. The Engagement Particular Selection: Have you been finding engaged? We realize the beautiful bride to be will want nothing else than the usual wonderful Lehenga for her diamond day.

But there exists a problem. The design of the lehenga! It should neither be too heavy to get you to seem like you have dressed for your big day nor it will fail to create everybody's eyes on the interest level - YOU!

3. The AB (Ardent and Bright) selection: 8 very special glorious Lehengas are waiting for your attention. They are the ones which would be liked by the modern divas who love to experiment.

The colors of the lehengas serve as organic pills of a women's beauty. The simplicity of the designs bring out your true and god skilled beauty.
