If the boy and your ex have same Nadi they form the Nadi dosha. Nadi dosha is never advantageous to marital happiness. The birth stars of girl and boy must not be in the exact same Nadi. During horoscope matching If the stars of girl and boy are in different Nadis, matching can be done. If they are in the exact same Nadi, matching should be completely avoided. Especially if there is Nadi Paad Vedha, marriage must certainly be avoided as otherwise it may cause separation, insanity or even death.

### SOLUTION TO NADI DOSHA

The only solution is to check on for Nadi Paad Vedha. If you have no Nadi Paad Vedha marriage can be considered as it indicates it is not just a complete Nadi dosha.

### NADI DOSHA AND BLOOD GROUP
