

China Guided Excursions

All of the tour operators in China like OrientTravel, China Travel service (CTS), InfoHub, GAT China Vacation etc offer guided tour packages for the visitors at different competitive prices dependant on the tastes and interests of the visitors. A skilled guide will meet you (or your group) when you arrive and stay with you through the tour. The travel agency where you book your trip will arrange hotel and room accommodations along with put up your itinerary for touring. They will also give you information regarding transportation, currency, tipping, health and hygiene and weather and temperature.

A 15 day guided tour of China will usually take you to various cities such as for example Beijing, Xian, Shanghai, Guilin and Hong Kong. This is one of many popular itineraries and offers wonderful highlights including museums of art, each day trip to Suzhou to visit the famous gardens and the Li River cruise in Guilin. An offer will run generally around \$2300 per person.
