

The New Generation of Funny T-Shirts

Probably the main reason you and I do want to wear a funny tshirt is for the social purpose it conveys. You want individuals to love you for this, and to be amused by your tee. And if you decide on the right shirt, you can get this result.

However there are always a few things you will need to think about if you are wearing your funny shirt:

1) You are interested to fully match your style and personality. That you do not desire to be wearing a top that claims you're a mean drinker (for example) and you're as docile as a hindu cow who hasn't touched a drink. You want to match your personality traits and find a top that expresses that in an interesting way.

2) You intend to have the best attitude in regards to using your shirt. Remember, wearing something as extravagant as an interesting shirt means additionally you must have a specific flair that brings focus on yourself. The best attitude means getting approached more by people in a bar or a social environment.

If you merely use the shirt as a attention drawer and let your personality do the rest, you then are wearing an interesting tshirt in the best way. If you only expect your shirt to continue the conversation then your joke is you, since a funny tshirt is all about the very first impressions, you look after the rest.

3) Never mind the haters. If you are wearing something that is not within society's "standard limits" then you can surely expect some people making fun of you or completely hating you, it includes the territory.

Be sure to be with the right attitude whenever you are wearing your funny tshirt and just keep it cool and aloof. Have some fun using it yourself and you will do great.
