

organic shops in chennai

Ecoindian is a humble entity focused on bringing our organic farmers, artisans, self help groups who produce native eco-friendly products with its exclusive marketplace in India. We currently have launched an exclusive organic e-commerce site and stores in Chennai. We are also developing brands & marketing campaigns for creating a better opportunity for the farmers & artisans to market their produce.

Ecoindian.com, an exclusive online organic store. Our online store has launched its operations in Chennai, building its logistics to deliver pan India. We have developed a fulfillment center in Chennai currently.

Our online Organic store offers a variety of products across various categories like Grocery & Staples, Beverages, Branded Foods, Fresh Fruits & Vegetables, Personal Care, Health Care, Fashion and Household products.

Our focus would be on expanding organic products market very aggressively by direct-connect & through technology platforms.
