

Rent a car in UAE and drive in style to different places

UAE, with the capital city Abu Dhabi and the most visited city, Dubai, is always bubbling with activity. The best way to travel across the country is to take the [Car Rental Dubai](#) services from the best agencies there and go to places of interest. The country is flocked with tourist, business travelers, and transit passengers waiting for many hours and even for a few days to catch their connecting flight for the ultimate destination. With all types of visitors landing in the city for business or vacation, it is best to avail the [Rent a car Dubai](#) provisions offered by some of the best agencies in the country.

The benefits of renting

It is a known fact that the UAE is an expensive country and the taxi service rates are too high. The state with almost all facilities and pleasures of the world has forced many multinational companies to have their headquarters, and regional offices shifted either to Dubai or Abu Dhabi. Since the taxi charges are too high, and they only have drop-off facilities to places like Sharjah and others, it is always good to be in touch with the best **rent a car Dubai** or [Rent a car Abu Dhabi](#) agency. Get the choicest car at affordable rents much cheaper than the taxi fare and save on the pocket.

The types of car available for rent

The best car rental agencies have all the best cars in the world. One can get the widest choice of the fleets from small cars to luxury sedans and SUV's and drive their dream car on the perfect roads of Dubai or Abu Dhabi without any hassles. The **car rental Dubai** or the [Car Rental Abu Dhabi](#) agencies do not have any cars that are more than 18 months old or had covered more than 45000 kilometers. They are almost brand new with ant technical faults so that one can drive them with full confidence. Visit the website of the best car rental agencies, and get all the details of the cars and the rents. The vehicles can be rented on a daily, weekly or monthly basis and are backed by the countrywide service centers in case of any trouble.

The process of renting

The renting process is quite simple. Whether one is at Dubai or Abu Dhabi, visit the best car rental website getting references from friends or reading the reviews on the internet and visit that website. The website of **car rental Abu Dhabi** agencies have all the details. They provide a list of cars they give on rent, and one needs to register with them for renting the vehicles. However, to **rent a car Abu Dhabi** services, one should have a valid passport of the country of origin, copy of the visa page, copy of driving license allowing driving in UAE and a credit card. The minimum age for enjoying the rent-a-car services in Dubai or Abu Dhabi, one should be at least 23 years old. After selecting the desired car and submission of the documents related to renting, the car is delivered at your place. It is your time now to enjoy the hassle-free ride without any worries as they are billed on a daily, weekly or monthly basis and for top-notch corporate honchos, the renting period can extend to a year.

Visiting places

As and when the car is in your possession from the rental agency, one is free to travel anywhere in the country and even to Oman if there are proper documents in support of visiting that country. It is time to get out of the blues of hiring a taxi and footing the bill that is exorbitant and cannot be kept for waiting. The rent a car service in UAE allows not only cutting down the surface communication expenses but also to ride and drive the choicest cars that one could have ever imagined. The cars are at your disposal during the rental period, and there are no tensions in paying overtime charges to the driver as they are self-driven. Driving on the roads of UAE, particularly at Dubai and Abu Dhabi is simple as all roads have proper direction signs helping to find the destination rote easily.
