

## Free Horoscope Matching Or Kundali Milan

**Kundali Milan** or **Horoscope matching** is a great way to know the relationship between a Male and a Female. Kundali Matching is followed extensively in India before solemnizing marriage. Generally the horoscopes are matched first, and only then other rituals are followed. It is the kundali that decides whether to go ahead with the marriage or not to consider the proposal. Indians are ardent believers of kundali matching. The practice of seeing kundali before doing important work is followed in almost all families. In horoscope matching kundali can give clear picture of whether the prospective couple will have marital happiness or not. The future of marriage can be easily known through kundali matching.

One of the most important method to evaluate the relationship is **Ashtkoot Guna** milan. In Ashtkoot Guna milan 8 points also known as 8 Koots are matched. The total of these 8 Koots is 36. Therefore Ashtkoot is a great way to know the strength of the relationship. The horoscope matching tool is a very effective way to know the strength of your relationship. By entering your date, time and place of birth of Girl and the boy , you can easily find out the strength of the relationship.

In Horoscope Matching you will see a dosha. A dosha is an imbalance in the relationship. It is the area which will bring problems and trouble in the relationship. These dosha should never be ignored. There are many dosha that can be formed, but the important ones are like Grahmaitri Dosha, Gana Dosha , [bhakut Dosha](#) and Nadi dosha. If any of these dosha are there they show the area of problem in the compatibility. Many times these doshas get cancelled naturally, however at times some astrological remedy or parihar may be required before marriage to nullify the effects of these dosha. The more the dosha the more problems is in the relationship and stronger remedies may be required. In some cases even marriage may not be recommended, if the dosha are likely to effect health, longevity, financial or children happiness.

As the effects of Astrology cannot be seen but felt, something like a Air or Wind, which we cannot see but feel. The cosmic energy is very much the same like Air, you cannot see unless there is a storm. Then you feel and run for cover. Astrology through its powers can foresee the possibility of these storms in the relationship and therefore indications of horoscope matching should not be ignored. Astrology effects can be best understood by people to read and know astrology. Therefore the effects of kundali milan should always be discussed with some learned astrologer, who will tell you the pro and cons of your decision regarding marriage. He will also help you take the correct decision in life. Below you can try the Free Kundali Matching for Marriage, by entering the birth details of the girl and the boy.
