

A Home away from home- Joey's Cottage

There is one thing we all agree on from the first minute. Your child deserves the best. And when your child is with us, he is our child. Children are extremely impressionable and hence where they grow up matters immensely. Joey's Cottage is set up in pockets across England. There are a lot of schools all over but the best place for your little one's big learning is Joey's.

Our preschool Liverpool and preschool Moorebank are all about nurturing and cultivating the child. You will find our preschool in Warwick as well. Education is a stepping stone for the child and [preschool moorebank](#) decides everything about his/her growth. If at this foundation stage you do not get the best it could be a big hassle in the future. Our Early Years Learning Framework uses principles of curiosity and other hands on learning modules to help create a base for your child. We believe in cultivating the spirit of learning. And that is showcased throughout our frameworks.

No initiative is anything without the best team. And we make sure our teachers are the absolute best. Our educators are aimed and focused from the first day at making this developmental stage of the babies comfortable and as per their wishes. And most importantly all our members have been working at this cause for as long as we can remember.

Our preschool program is all about learning by play. Experimentation and project-based learning pushes them into learning and not studying. We go beyond just teaching and schooling. Child care is an overall institution. It goes beyond the school timings. Our childcare Warwick Farm and Childcare moorebank is aimed at play and foremost, care. We are all over this.

We look at the growth of the whole class and the individual children as well. They are trained at the ABC's of life with us. Group learning and all activities here are aimed at working on your child's physical, emotional, sensory and social development. We leave nothing out.

At the end of the day, we can assure you of one thing. When you bring your child to us, when you place them in our loving arms, we will do everything in our power to make them the happiest. This is the base they need. Joey's Cottage is exactly what they need. A home away from home.
