

Emergency Dentist Beaumaris

Experienced family [Dentist near Beaumaris](#)

We offer quality dental care to make you smile

It is a known fact now that your dental health impacts your overall health. This is all the most reason to take good care of your teeth, not only so that they serve you for long, but also so that you stay healthy and happy overall!

Welcome to Mentone Smiles, where your dental wellbeing is our highest priority. We are your friendly dentist near Beaumaris, offering a wide range of general dentistry services, as well as orthodontic and cosmetic dental treatments. We are a family owned practice, and what sets us apart is the way we treat our patients - with the same level of care that we would give to a family member, in a gentle, honest and personalized manner. There are many patients who often have an irrational fear about dentists and dental visits, and our doctors and staff are trained to make even the most nervous patient feel comfortable. Our calm and soothing clinic environment is designed to allay fears and put everyone - young and old - at ease. We are also specialized in sleep dentistry, which can be really helpful for patients who are filled with acute fear,

We really care about the experience we leave our patients with, and when they leave our clinic with a satisfied smile, it is our best reward.

A plethora of dental services under one roof

Our clinic is equipped with the latest dental technology, so that we can provide the best quality treatments to the patients who come to us. From teeth clean-up, tooth extraction, dental fillings and root canals, to teeth whitening, Invisalign and Clear Correct, we offer all of these at our clinic near Beaumaris in the most advanced way possible. We were among the earlier adopters of 3D printing and CAD/CAM in dentistry, which allowed us to serve patient requirements in a much shorter time span. So if you are looking for a reliable and experienced dentist in Beaumaris, we are confident that you will not want to look beyond Mentone Smiles.

Our emergency dentist near Beaumaris is always there for you

Apart from our regular dental services, if you are looking for an emergency dentist close to Beaumaris, then we are here for you. Dental emergencies can strike at anytime and in any form, and it helps to know where you can go to in such situations. We are experienced in providing quick relief when it is needed the most. Some of the emergency services we are adept at handling are:

- Dental infection
- Exposed tooth roots
- Broken crowns
- Fractured or injured teeth
- Advanced gum disease
- Dislodged teeth
- Extreme teeth sensitivity

Prevention is always better than cure

We are strong believers in the adage that prevention is better than cure! The best way to avoid dental trouble is to take good care of your dental health, and we urge you to adopt some regular practices to minimize the possibility of future intervention. We have pioneered a Preventative Dental Program at our clinic near Beaumaris, to inculcate these very habits into our patients. As part of this program, we recommend regular dental checks to screen for issues before they flare up and require serious treatment. Apart from this, we have outlined some daily lifestyle habits that contribute to good, long-term dental health. This program has seen huge success, as we have seen participants able to maintain good dental health over a sustained period.

Our patients perceive Mentone Smiles as the best dentist near Beaumaris

We are committed to delivering the highest level of dental care possible, and we do not want anybody to delay or ignore essential dental treatments due to financial constraints. This is the reason why we remain an affordable dentist, despite the continued investment in advanced dental education and technology. We often leave patients surprised, with our affordable treatments - be it a root canal or orthodontic procedures like Clear Correct and Invisalign at our clinic near Beaumaris.

Our patients need not fear the burden of unnecessary expensive treatments when they consult with us. We provide high-quality, personalised care with advanced technology at fair fees to make it affordable for all, and discourage those who delay essential dental treatments due to financial constraints.

We are a true family dentist, catering to the young and old alike. Our gentle approach towards dental care coupled with the advanced setup has earned us the reputation of being one of the best dentists close to Beaumaris. If you would like to consult with our dentist near Beaumaris, just call us on (03) 9583 4888 for making an appointment.
