

## HSK63 Tool Holder Rack – CNC Tooling Storage by Uratech

The **HSK 63 tool holder** rack from **Uratech** delivers premium **CNC tooling storage** designed for professional machine shops, industrial facilities, and precision manufacturing environments. Built to securely hold and organize your collection of **collet tool holders**, this heavy-duty **collet rack** is compatible with **HSK63** tool holder variants including A, C, and E . giving you flexible storage for a wide range of tooling setups.

Machinists and toolroom managers know the importance of organized tooling. Whether placed beside a **CNC tooling cart** or mounted directly to a machine, this rack eliminates clutter and safeguards precision tooling. Instead of scattering tool holders on benches or temporary trays, the Uratech [hsk63 tool holder](#) offers a dedicated storage solution that protects your investment and speeds up job changeovers.

Constructed with robust powder-coated steel, this rack resists shop floor conditions and maintains a professional appearance over years of use. Each position on the rack holds one collet or tool, with high-quality nylon inserts that gently cradle each **collet tool holder**. These inserts prevent metal-to-metal contact, reduce wear on expensive tooling, and ensure consistent fit when reloading tools into CNC machines.

The wall or machine mount design is a practical upgrade for shops that need stable, space-saving storage. You can install this rack directly on a wall, near your workbench, or on the side of a CNC machine to keep tools within reach . boosting efficiency during setups and reducing unnecessary walking time.

This **CNC tooling storage** rack pairs perfectly with other tooling organizers . especially when combined with a **CNC tooling cart** for mobile storage or paired with larger cabinets for extended tool inventories.

Key Features Include:

**Universal HSK63 Compatibility** . Holds HSK63A, HSK63C, and HSK63E tool holders

**Durable Construction** . Powder-coated steel frame built for industrial use

**Protective Nylon Inserts** . Prevent wear and protect precision tooling

**Wall or Machine Mountable** . Saves workspace and keeps tooling organized

**Optimized Tool Access** . Easy reach for faster CNC setups and reduced downtime

**Perfect Partner for CNC Tooling Carts and Cabinets** . Complements larger storage systems

Designed by **Uratech**, this HSK63 tool holder rack is an essential addition to any CNC shop looking to improve workflow and protect tooling assets. Whether you are installing it beside a milling machine, next to a **CNC tooling cart**, or integrating it into a larger **CNC tooling storage** strategy, this **collet rack** delivers a durable, functional solution that keeps your tooling organized and your operation running efficiently.

### Why Choose Uratech

Uratech has become a trusted supplier for CNC tool storage products because of its commitment to quality and industrial design. Their products are built to withstand the demands of professional machining environments while providing practical solutions for everyday shop operations.

With availability across North America and international distribution, Uratech supports manufacturers looking for dependable CNC storage and mobility systems.

### Fast & Reliable Shipping Across North America & Worldwide

At Uratech, we understand the importance of prompt and reliable delivery. We offer same-day shipping to customers in the USA, Canada, and Mexico, ensuring that your business operations remain uninterrupted.

Additionally, we provide worldwide shipping, allowing industries across the globe to benefit from our high-quality storage solutions.

### Stocked in New York, USA and Ontario, Canada for Immediate Availability :

Our warehouse in New York, USA and Ontario, Canada maintains an extensive inventory of [CNC](#) tool storage products. This ensures that our customers receive their orders quickly, reducing downtime and improving productivity.

Orders from USA and Mexico will be shipped and invoiced from Uratech USA Inc, 4947 Lockport road, #3, Lockport, New York , USA 14094

Orders from Canada and the rest of the world will be shipped from Uratech Tooling Technologies Inc, 142 Foamflower place, #21, Waterloo, Ontario, Canada N2V 0J1
